

GUATEMALA

VIII NORCECA BEACH VOLLEYBALL TOUR

2014

**BULETIN 2
WOMEN/
MUJERES**

Guatemala -Quick Facts-

Guatemala (náhuatl: *Quauhtlemallan*, 'lugar de muchos árboles') oficialmente, República de Guatemala— es un país situado en América Central, en su extremo noroccidental, con una amplia cultura autóctona producto de la herencia maya y la influencia castellana durante la época colonial.

Su capital es la Ciudad de Guatemala, llamada oficialmente *Nueva Guatemala de la Asunción*. Su población indígena compone un 40% del total del país. El idioma oficial es el español, asimismo cuenta con 23 idiomas mayas, los idiomas xinca y garífuna, este último hablado por la población afrodescendiente en el departamento caribeño de Izabal.

Límites al oeste y al norte con México, al este con Belice y el golfo de Honduras, al sur con El Salvador, y al sureste con el océano Atlántico y al oeste con océano Pacífico.

Es un país de los más diversos países del mundo. Sus más de 9 millones de habitantes viven en las tierras altas, los trópicos y la meseta central. Casi la mitad de ellos son descendientes de pura sangre de los indios mayas, cuya civilización floreció durante gran parte de Guatemala antes de la conquista española en 1523.

Moderna, cómoda, ciudad de Guatemala, la capital, contrasta fuertemente con el interior rural. Esa zona se caracteriza por las ruinas mayas, mile high lago de Atitlán, las antiguas culturas indígenas de Chichicastenango y Huehuetenango y colonial Antigua, la orgullosa capital del país hasta que fue arrasada por dos desastrosos terremotos en 1773.

Iglesia católica es la religión principal y las iglesias católicas en la capital y en todo el país cuentan con clero nativo y extranjero en números iguales. Dos de las iglesias, Villa Guadalupe y San Agustín son administrados por el estadounidense Maryknoll y padres franciscanos.

La ciudad actual es la tercera capital permanente de Guatemala. Fue fundada en 1776 después Antigua fue destruida por los terremotos. Un terremoto destruyó la ciudad de Guatemala en 1917, pero fue reconstruida en el mismo sitio. Ciudad de Guatemala sufrió menos que el campo desde el terremoto del 04 de febrero de 1976 que mató a 27.000, lesionado 76.000 y dejó más de 1 millón sin hogar

Los edificios más viejos son estilo español, pero marcadamente modernas estructuras están aumentando rápidamente. Barrios residenciales extienden más allá de las afueras de la ciudad, con casas más nuevas o moderna o colonial española en el diseño. Las calles del centro de ciudad de Guatemala son estrechas y, a pesar de tráfico unidireccional, congestión es malo y estacionamiento difícil. Varios nuevos centros comerciales del centro de la ciudad están ganando popularidad rápidamente. Calles en el nuevo residenciales y las secciones de negocios son relativamente amplias, atractivas y menos congestionadas.

VIII NORCECA BEACH VOLLEYBALL TOUR GUATEMALA 2014

Dias de Competencia/ Competition Dates

Mayo 2 al 4
