TOUR NORCECA

TU TIENES QUE SABER/ YOU HAVE TO KNOW

3.0 Protests of game rule violations

- 3.1. Protests for the violation of game rules will be accepted provided they are presented by the captain of the team to the tournament's Technical Director within one hour after the end of the match.
- 3.2. All protests or game rules violations must be submitted to the Technical Director, in writing, and accompanied with a deposit of USD\$ 100.00 (one hundred dollars 00/100) in cash, if the protest is upheld the deposit will be refunded.
- 3.3 After hearing the concerned parties and after deliberating, the Technical Director must take the corresponding decision in accordance to the current game rules within one hour after having received the protest. The decision taken by the Technical Director shall be final and cannot be appealed, and must be communicated to the captain of the team who filed the protest.

18.0 Official Protests

18.1 As envisioned by the rules of the game, players have the right to request explanations from referees about their decisions. They may also initiate the protest protocol when a rule of the game is incorrectly applied or its interpretation on the part of the referee is wrong according to the player; players must keep in mind that those moves that are perceived by the referees through their senses may not be protested; i.e. their subjective consideration (double hit, net touch, a ball landing in or out, etc.). Taking into account that by protesting a ruling it interrupts the game because the Referee Delegate, Technical Supervisor or Competition Director must get involved for its resolution, and given that the continuity of the match is essential for the purposes of completing the tournament and possible television requirements, if a player insists on protesting a rule and the ruling of the referee is upheld, the player will be fined USD \$100 (One Hundred dollars).

18.2. The protests will be considered and be treated in accordance with the official rules of beach volleyball of the FIVB, a progressive penalty would apply where a protest is considered as "uninitiated" by the Referee Delegate and/or does not meet any of the criteria required to be presented as protest, the result will be a fine of USD\$ 75.00 (seventy-five Dollars 00/100) - for the first time, with a minimum of USD\$ 200.00 (two hundred dollars 00/100)-for the second time and thereafter to submit any protest or complaint it shall be accompanied obligatorily a deposit of USD\$ 100.00 (one hundred dollars 00/100).

3.0 De las Protestas por violaciones a la Regla de Juego

- 3.1 Las protestas por violación a la Regla de Juego serán aceptadas siempre y cuando sean presentadas por el Capitán del equipo al Director Técnico del Torneo dentro de una hora después de finalizado el partido.
- 3.2 Todas las protestas por violación a la Regla de Juego deberán ser presentadas al Director Técnico, por escrito, y acompañadas con un depósito de USD\$100.00 (Cien Dólares con 00/100) en efectivo, si la protesta procede el depósito será reembolsado.
- 3.3 Luego de oír las partes involucradas y después de deliberar, el Director Técnico deberá tomar la decisión correspondiente de acuerdo a las Reglas de Juego vigentes dentro de una hora después de haber recibido la protesta. La decisión adoptada por el Director Técnico será final e inapelable y deberá ser comunicada al Capitán del equipo que presentó la protesta.

18.0 Protestas oficiales

18.1 Conforme lo previsto por el reglamento de juego, los jugadores tienen el derecho de solicitar explicaciones a los árbitros respecto a sus decisiones, y de pedir además el inicio de un protocolo de protesta cuando se halla aplicado en forma incorrecta una regla de juego o su interpretación por parte del árbitro sea errónea a criterio del jugador; recordando que no son posibles de protesta aquellas jugadas que son percibidas por los árbitros a través de sus sentidos es decir su consideración subjetiva (doble golpe, toque de red, balón dentro o fuera, etc). Teniendo en cuenta que el inicio de un Protocolo de Protesta interrumpe el juego ya que debe ingresar el Supervisor Arbitral, el Supervisor Técnico o Director de Competencia para su resolución, y dado que la continuidad del espectáculo es esencial a los fines de completar la programación y los eventuales requerimientos televisivos, cuando al jugador no le asista el derecho a solicitar un Protest Protocol. Y no obstante insista con ello, o solicitado correctamente su resolución fuere contraria a lo peticionado, el jugador será multado con \$100.00.

18.2 Las protestas se plantearán y tratarán de conformidad con las Reglas Oficiales de Voleibol de Playa de la FIVB, una progresiva multa se aplicaría en caso de que un Protocolo de protesta se considera como "no iniciados" por el Delegado de arbitraje y/o no cumple ninguno de los criterios exigidos para ser presentados como protesta USD\$75,00 (Setenta y Cinco Dolares con 00/100) - por primera vez, con un mínimo de USD\$200,00 (Doscientos Dólares con 00/100) .-por segunda vez y allí, después de doblar Cualquier protesta o reclamación deberá ir acompañada obligatoriamente de un depósito de USD\$100.00 (Cien Dólares con 00/100).
