22. CLASIFICACION DE LOS EQUIPOS

De conformidad con las regulaciones sobre la materia emitido por la NORCECA, se detalla el sistema de clasificación en su versión en inglés:

Round Robin Ranking

To establish the ranking of teams after Preliminary Round, the ranking of the teams will be determined as follows:

1. By the results of matches won and lost.
2. In case of equality in the number of matches won and lost, among two or more teams of the same group, the final ranking of the teams will be determined by the number of points gained among teams of the same group during the Preliminary Round.
3. The following points will be awarded to each team per match, according to the number of sets won/lost:

Match won 3-0 = 5 points	Match lost 0-3 = 0 point
Match won 3-1 = 4 points	Match lost 1-3 = 1 points
Match won 3-2 = 3 points	Match lost 2-3 = 2 points
Match forfeited = 0 points (0-25, 0-25, 0-25)	

Tie Breaking Procedure

In case of equality in the number of points gained by two or more teams, the tie will be broken by the points ratio with the following criteria, in order of importance:

- A) **Point Quotient:** In case of equality in the number of points gained by two or several teams they will be classified in descending order by the quotient resulting from the division of all points scored by the total of points lost.
- B) **Set Quotient:** If the tie persists as per the points quotient the teams will be classified in descending order by the quotient resulting from the division of the number of all sets won by the number of all sets lost.
- C) **If the tie continues as per the set quotient between two teams,** the priority will be given to the team which won the last match between them.
- D) **When the tie is between three or more teams** a new classification of these teams will be made taking into consideration only the matches in which they were opposed to each other.

Elite AFECAVOL Men's Cup to get underway

TEGUCIGALPA, Honduras, December 4, 2014. - The Elite AFECAVOL XVIII Men's Central American Cup is ready to get underway this Friday December 5 at Jorge A. Galeano Gymnasium in Tegucigalpa, Honduras.

The round-robin competition clashes the seven national teams representing the AFECAVOL zone, with Guatemala as defending champions. On Thursday, teams took part of the preliminary inquiry and the general technical meeting where each

team's coach gave a brief view on the tournament.

Albert Humes, Belize: "I think we have a great chance just like anyone here to win the tournament. Our Association worked hard to bring a good team here; we have been practicing since August."

Cesar Salas, Costa Rica: "This will be a very competitive tournament; teams here are well prepared, as it's the Elite competition of the region. We've had months of preparation and we're here to battle for the title, it won't be easy and it'll be a good competition".

Ricardo Rivera, El Salvador: "It will be tough, Honduras is the team to beat, without underestimating the rest, we are all well prepared and we won't put our arms down, results will speak for themselves".

Reider Lucas, Guatemala: "The team has prepared as much as possible; I believe the competition's going to be close because several teams have the same game level, which finishes first, will be the one with the best results. We have to think in one opponent at a time and hope to battle for the title".

Manuel Mancía, assistant coach Honduras: "We are very happy to be hosting a Cup of this magnitude. Everyone has prepared well, technically teams have improved a lot, we have prepared not only technically but physically and mentally too, and we'll prove we have much to give".

Osman Hernandez, Nicaragua: "The team is renovated, it's young and we want to battle hard against every team. We've practiced for the past three months and hope to do well".

Horacio Angulo, Panama: "Our team is totally renovated with U-23 players because we're in a changing process. It will be a hard competition and we hope to be medalists, much better if it's the Gold".
